MEMORANDUM FOR: The Honorable Christian A. Herter
 The Under Secretary of State

On Tuesday, November 12, the President is giving his annual luncheon in support of the Crusade for Freedom. Gene Holman, who was Chairman for the Crusade for the past two years and who did an outstanding job, is passing on his Chairmanship to Gwilym A. Price, Chairman of the Westinghouse Electric Corporation. A copy of the list of those who have accepted the President's invitation is attached. I understand that Foster has accepted.

The President will make a short informal talk and if he follows his usual practice, will probably call upon Foster, General Crittenberger, President of the Free Europe Committee; Arthur Page, Price and me, for a few remarks.

The entire luncheon is off-the-record and it has never had any publicity, except for the fact that it has been held and probably the list published of those who attended.
